

The Game Plan is a highly acclaimed football management simulation game. The Game Plan is a life-simulation, managerial football game for PC and Mac. The Game Plan spans teams from around the world in an authentic sports context with realistic team activities, training facilities and player contracts. In addition to leading your own team to success, you can also manage your club's finances - trading players to make funds or buying players from other clubs to improve your squad. Write a reflective blog post on "Closing Time". In the post discuss how things have changed since you first started playing "The Game Plan" and where you want to be in the future. In your blog post discuss the following in a minimum of 400 words: The purpose of this assignment is to demonstrate how you have progressed as a player in The Game Plan. This assignment will be assessed outside of the class on a 0-10 scale. This grade will be added to your team grade for this course.
